On the night of 6/21/2024 just prior to 10:01 pm I was struck in the left rear. I was driving South bound (East) on I-75 in the far right lane as my exit (182) was approaching in .50 miles. The pickup truck was in the middle lane and come over in to my lane hitting the left rear of my Corvette. Steven Lacher did pull the pickup truck over right away and we exchanged information.

Vehicle 1 (Corvette) -- Damage to the right rear quarter panel, wheel, tire and could extend to the bumper.
Vehicle 2 (Pickup) -- Damage was on the left front side bumper right before the tire. Was able to drive off.

In looking at the damage, I was unable to drive in the condition of the wheel and tire. I called for a flat bed tow truck.
